

Addendum

After the release of the How Are Vermont's Young Children and Families? report, the Vermont Department of Health updated its website, which required new URLs for many of the VDH material cited in this report. The following citations can be found at new URLs:

Citation number	Old Vermont Department of Health URL	New Vermont Department of Health URL
34	http://healthvermont.gov/research/documents/opioids_neonate_exposure.pdf	http://healthvermont.gov/sites/default/files/documents/2016/12/ADAP_Opioids_Neonate_Exposure.pdf
