The name of this organization is Southeast Vermont Building Bright Futures Regional Council, referred to in these operating principles as "SeVT BBF".

VISION AND MISSION

The vision of SeVT BBF is dedicated to improving the quality of life for young children prenatal to 8 and their families in Southeast Vermont.

SeVT BBF's mission is to:

- Encourage public/private partnerships that maximize the use of limited resources
- Assist early childhood professionals and their allies as they work to shape the futures of young children
- Provide a forum for early childhood professionals and their allies and a voice for our common interests and concerns

AUTHORITY

SeVT BBF derives its authority from Act 104, an act relating to the Building Bright Futures Council, passed by the Vermont State Legislature on May 12, 2010. SeVT BBF Regional Council is part of the state's Building Bright Futures infrastructure to help "support the creation of an integrated system of early care, health, and education at the local level." Removal from Council. Members may elect to leave SeVT BBF as their time and interests allow. Otherwise, members may be asked to leave SeVT BBF due to a conflict of interest or unauthorized use of SeVT BBF name.

Consensus and Polling. Working by consensus is the operational process of the SeVT BBF Regional Council, Co-Chairs and Committees. Consensus is understood not as unanimous agreement, but as a process in which all viewpoints are reasonably heard and taken into account in determining whether the level of support expressed for a given action or policy is sufficient to proceed. Agreements and decisions may involve the entire SeVT BBF council, Co-Chairs or, Committees. In full Council membership meetings, support or lack thereof may be determined by polling each member. The Co-Chairs may request that SeVT BBF vote on a policy, operating procedure or initiative. A simple majority of SeVT BBF members **present and voting** is sufficient to carry the vote. If a member feels there is a conflict of interest, the member can abstain from a decision. The member is not obligated to share their reason for abstention.

Quorum. SeVT BBF members in attendance at official meetings shall constitute a quorum for transacting business. Proxy ballots will not be allowed.

For the purpose of clarity in formulating SeVT BBF proposals or positions, membership is asked to be mindful of the following:

SeVT BBF is not:

- A competing service delivery organization providing services directly to clients (e.g. communities or businesses).
- Empowered to give commands to its membership. SeVT BBF Regional Council aims to operate by consensus agreement.
